Side Story 1

Hello! I'm the author of "Arisu ga Fushigi", Yakari Kawachi. We're finally onto the last volume. As persual, I'll use this 1/3 page space for some "random talk".
-sigh. I'm such a "random" person.
-If you don't mind, let's be friends! How about it?

Side Story 2

Which character do you like best in ***"Aisu ga Fushigi"***?
Me? I think I like ***Haneda***. But some people say they hate ***Haneda***!
Well there are different opinions.
Let's see if more people sympathize with him after volume 5
In this story, ***Haneda*** really deserves the most pity. If someone really falls in love, it's pretty scary.
They'd do anything for the object of their affection.
(On a side note, I'm probably like that too.)
And a lot of what I think ends up showing up in him.. (I feel kind of bad for him.)

Sorry!

AOYAMA?

I'M ARISU'S FATHER.

SORRY TO BOTHER YOU WHILE YOU'RE IN THE HOSPITAL.

HOW'S YOUR INJURY?

OH... THE SURGERY WAS SUCCESSFUL.

IT'S FINE NOW.

I SEE.

Side Story 3

I'm such a weird person. Every time we reach the last volume, my physical status gets really bad. Like I fall from overwork or pressure! And fever, etc just lots of diseases. And this time it was exceedingly painful. What do I do? I got "acne" again at my age, and on the week before my deadline, too! I've been going through living hell. Acne and fever and a sluggish mind. And it itches, but I'm afraid to scratch it. I have a particularly bad case, too. When I went to the doctor's, he couldn't stifle a laugh when he saw my face! (How rude.) Because of this, I had to pause work. But I haven't stopped drawing! Even with the fever, I worked night and day to finish this draft!

ARISU LEFT HOME THE DAY BEFORE YES-TERDAY, AND SHE HASN'T RETURNED SINCE.
WELL,
BUT THEN SHE LEFT.
I DON'T KNOW. SHE CAME TO SEE ME BEFORE THE SURGERY.
I THOUGHT YOU MIGHT KNOW WHERE SHE WAS?
AMANO?
I'LL CONTACT YOU IF I LEARN ANYTHING ELSE.
